ENFIELD HIGH SCHOOL  
Enfield, Connecticut

ECHO 1976

The Hazard Place, home of Col. Augustus Hazard developer of the Hazard Powder Co., was built in 1848 and stood directly across from the Enfield High driveway.

#### 1776--1976

The timeliness of our graduation in this Bicentennial Year gives us, the Class of 1976, a special historical awareness. This awareness will indeed effect our attitudes and approaches to the future. At this time of political turmoil and disillusionment, the recollection of the birth and growth of our nation inspires hope and reassurance. Our goals, like those of our founding fathers, can be achieved through perseverance and diligence. We possess the youthful strength and eagerness necessary for the much needed reconstructions which will fulfill the plans our ancestors had for this nation.

The past three years at Enfield High School have yielded many opportunities and experiences which have exerted a profound influence on the character and development of each graduate. The future holds an endless supply of challenges which will be met through steadfastness and determination.

Susan Garvey, Literary Editor

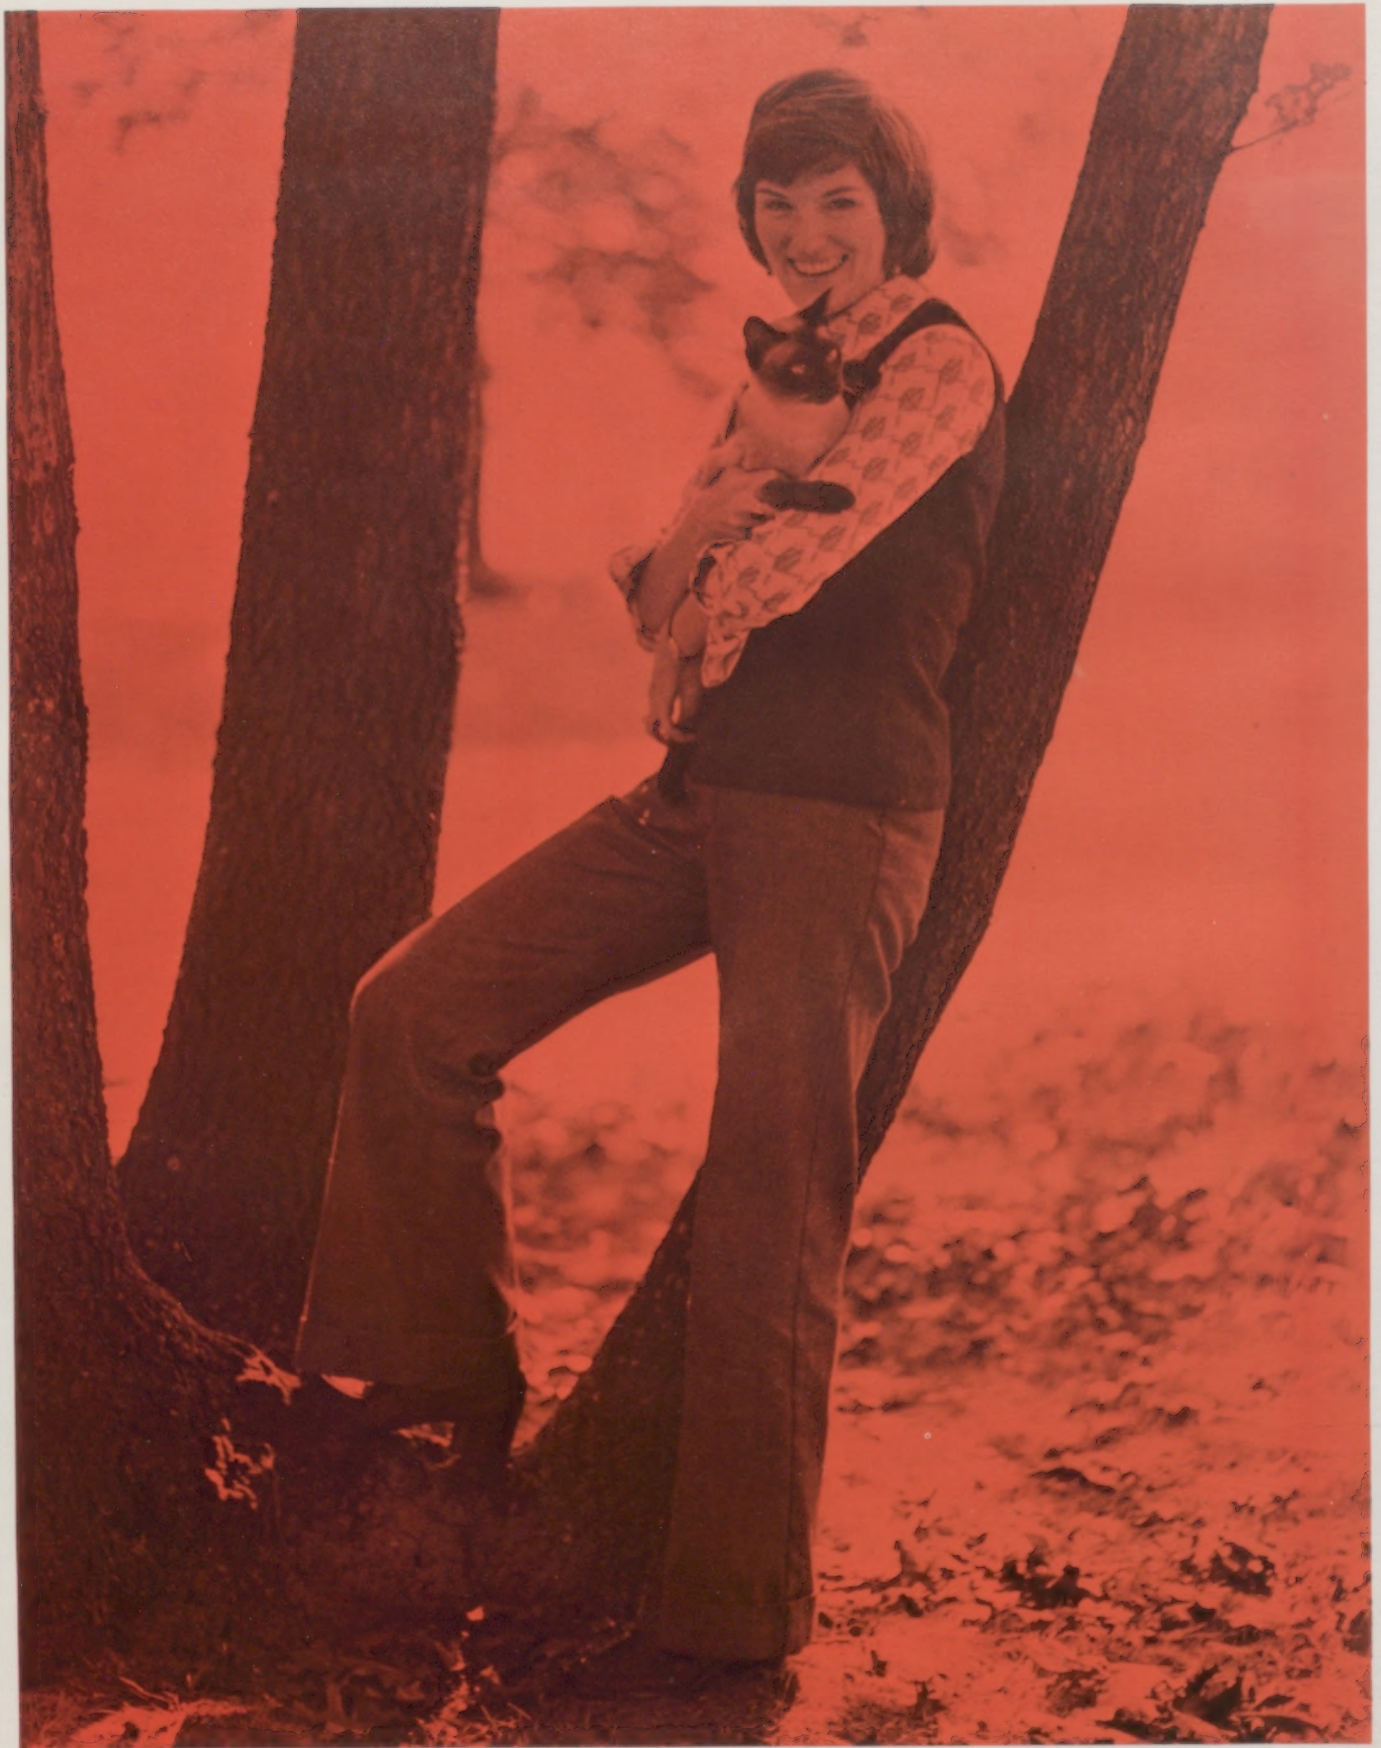

The home of Mr. and Mrs. Frank Troiano, built in 1850, is an excellant example of Greek Revival Architecture. Pictured in front of this stately home is Lee Ann Pazik, class representative and National Honor Society Member.

# Dedication

Happiness is a lovely fall day and someone to share it with.

Years from now, our memory will consist of a conglomeration of fifth declension verbs and chair-caning tips, pomegranites and a Mother of Thousands Plant whose "thousands" were constantly being transported to the home gardens of students. Although someday we may forget the ablative absolute and how to decline i-stem nouns, recollections of Mrs. Swan, whose thoughtfulness and consideration greatly enriched our years at Enfield High School, will never fade. Her sincerity and honesty have aided the formation of these characteristics in us and have caused us to explore our own opinions and beliefs.

# Dedication

We, the class of 1976, are happy to dedicate our yearbook to a most helpful teacher. Mr. Blair has helped us not only as a teacher, but as an advisor in many other areas. His professional classroom work has impressed us while his humorous "zingers" have enlivened our English Studies. He has gladly devoted time to organizing athletic activities, arranging for our class night and graduation, while being a real "fan" at all our games.

We, therefore, feel privileged to have this opportunity to show Mr. Blair how glad the Senior Class is to give him this special recognition.

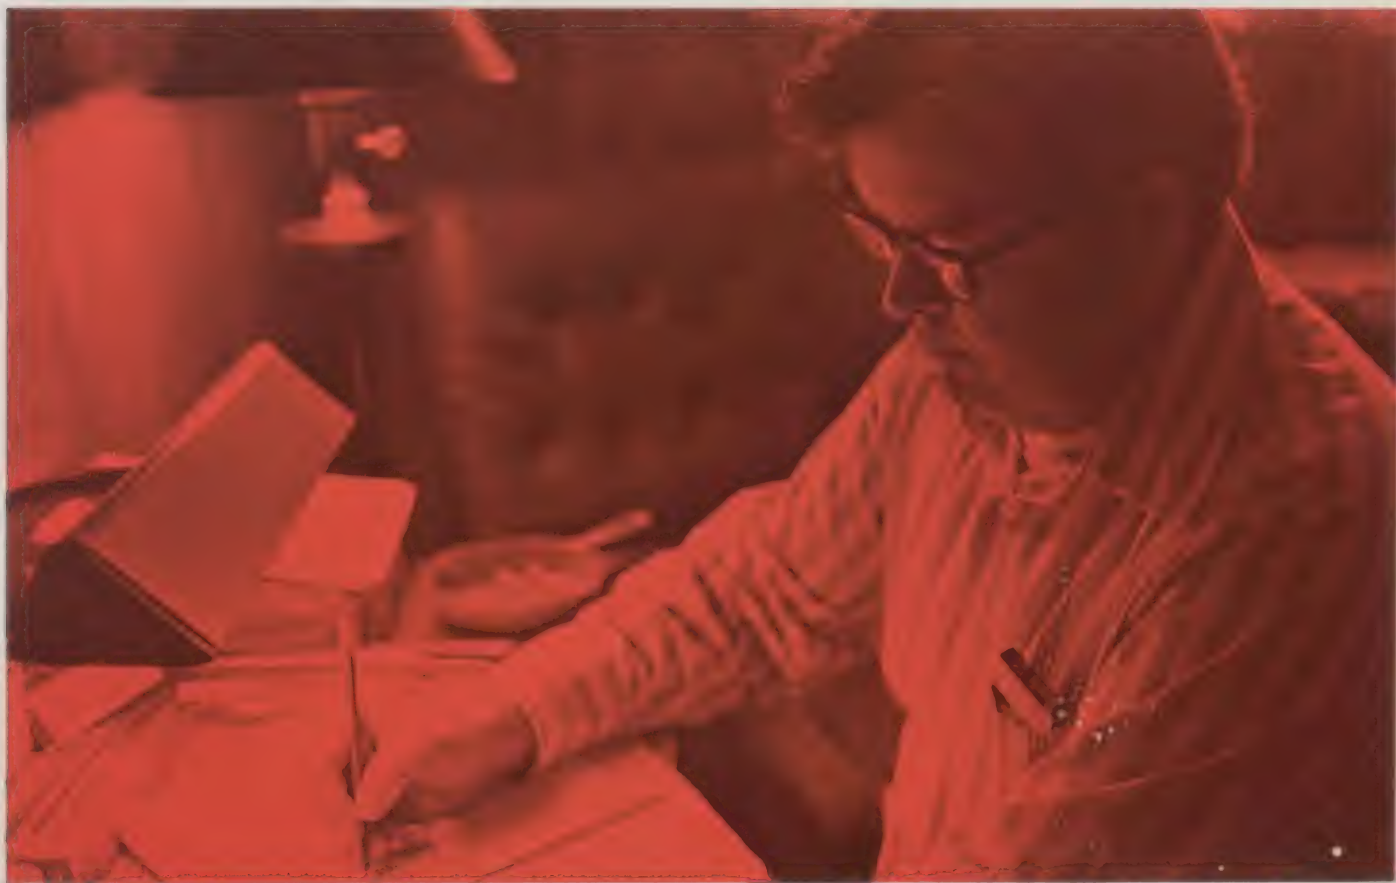

Let's get a few points on the board! (Faculty Manager of Athletics Mr. Blair)

# Class Officers

To every graduate, his year of graduation has special meaning and brings with it many memories, but we the class of '76" have the singular distinction of being E. H. S.'s bicentennial class.

As we leave E. H. S. we will all share the common bond that, once we have left we will either be in search of a goal or in pursuit of one. Hopefully, our years at E. H. S. have prepared us for what lies ahead.

Recalling our past years, the friendships we have made have prepared us in a way no academic course could. They have given us the confidence to look forward to a future with new challenges and friendships yet to be made.

Of our experiences here, some of us may leave tearfully, while others leave in anxious anticipation of the things to come. Yet all of us leave knowing that we have left behind an age we can never recapture.

The services of the counseling staff are available to students who need educational, vocational, social, and personal counseling. Each student is assigned to a counselor. However, any student may at his own discretion make an appointment with any member of the counseling staff. Appointments may be made at any time with the receptionists in the guidance office. Areas in which counselors may be helpful to students are: Peer Relationships, Adult Relationships, School Achievement,

Course Selection, College Selection, Testing and Interpretation, High School Curriculum, and Vocational Planning. In addition to the counseling services, students also have the opportunity to utilize the Guidance Resource Lab. This lab includes a broad selection of materials such as books, pamphlets, filmstrips, files, college catalogues, occupational information, a college viewdeck, occupational files, and a filmstrip monitor.

# LIBRARY

The library collection contains books, periodicals, and pamphlets on all the school subjects from automobile mechanics to English drama.

The reading interests of young people are reflected in the great number of paperbacks and the many books on current social problems.

Audio-visual materials, such as phonographs, records, tapes, and film strips, supplement the printed collection to make the library a true "learning center."

FROM LEFT TO RIGHT: Mrs. Marie McGarry, librarian; Mrs. Charlotte Gracewski, and Mrs. Mary Barnes, secretaries.

## ENGLISH DEPARTMENT

By continual evaluation of curriculum and constant search for variety of material, the English Department seeks to respond to the needs of Enfield High School students.

It is our hope that by thoughtful selection of courses and by active involvement in them, each student can enjoy increased competence in handling language and a growing knowledge of self.

The 1975-76 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The Social Science's curriculum has been designed to provide choices for students taking the Social Sciences. It is hopeful that their choices increase the possibility for all students to make some meaningful contact with society and its problems.

## SOCIAL STUDIES DEPT.

## SOCIAL STUDIES LAB

The basic philosophy of the lab is for learning to come alive through the hands of the students. This is a place of innovative learning. The students in the lab learn to work with teachers; they share ideas and help each other with various projects. Students in the lab also teach teachers and other students to use photographic equipment, tape recorders, and all types of technical aides. Working in the Social Studies Lab is a real learning experience.

## BUSINESS DEPARTMENT

The Business Department's curriculum offers comprehensive training in the basic skills needed for immediate entry in office and business related occupations. Opportunities are available for experiencing on-the-job training simultaneously with academic exposure in school. These opportunities apply to the areas of office occupations and the field of distribution. Courses are also offered as a stepping stone to further study.

## 

The Mathematics Department offers an expansive selection of courses in an attempt to meet the needs of all students. These offerings range from introductory courses for those who desire a practical mathematics, to theoretical courses for those who will pursue mathematics beyond high school. Timely topics in metric measurement and computer fundamentals as well as advanced placement courses in calculus and probability and statistics are included in the curriculum.

FROM LEFT TO RIGHT: Mr. Edward Masztal, Mr. Robert Kramer, Mr. Kenneth St. George, Mrs. Elizabeth Ricci, Mr. Richard Mazur, Mr. Michael DeRose, and Mr. Edward Bassett--Department Chairman.

## SCIENCE DEPT.

Scientific knowledge is increasingly important to all of us today. In recognition of this, the Science Department continues to evaluate and incorporate changes in the science curriculum.

The full-year courses offered to the students are: Advanced Biology, Advanced Chemistry, Biology, Chemistry, Physical Science, and Physics. The half-year courses include: Advanced Genetics, Anatomy and Physiology, Astronomy 1, Astronomy 2, and Ecology.

The department is participating in the COOPERATIVE PROGRAM FOR SUPERIOR HIGH SCHOOL STUDENTS with the University of Connecticut. Those who enroll in Advanced Chemistry are eligible for college credit.

Mr. John DeMetropolis

Ms. Jacqueline Demers

FROM LEFT TO RIGHT: Mrs. Donna Swan, Mrs. Sandra Brasseur--Department Chairman, Mr. Paul Lucius, Mrs. Sirvart Hintlian, Mr. Kenneth Vancor, and Mr. Mark Winzler.

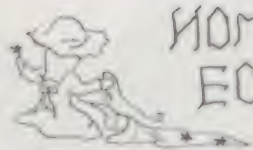

## FOREIGN LANGUAGE

The Foreign Language Department at Enfield High has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures, but also to improve their potential in the world of work.

French, German, and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin also is presented in a dynamic manner with audio-visual materials that help the student develop a better cultural understanding of classical antiquity and its implications in the present.

# HOME ECONOMICS DEPT.

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we all are a part of a family, and we all are consumers. However, many individuals do not have an opportunity to understand or to develop the skills necessary to deal with problems related to ourselves, our families and society in general. Family Living and Consumer Education focuses upon the individual and seeks to develop self awareness through a variety of courses dealing with many aspects of our personal and social lives.

FROM TOP TO BOTTOM: Miss Margaret Chamberlain, Mrs. Eleanor Muska, Mrs. Judith McCarroll and Mrs. Christina McDonald--Department Chairman.

FROM LEFT TO RIGHT: Mrs. Linda Tyler, Mrs. Barbara Kemnitz, and Mr. Newell Murri.

## ART DEPARTMENT

It has been a good year. Our expectations for new courses came through in spite of the eccentric meanderings of our enthusiastic staff. Field trips, coupled with numerous exhibits, have added spice to the already enjoyable art courses.

We will miss those of you who are leaving us and we hope you carry fond memories as you go into the "real" world.

FROM LEFT TO RIGHT: Mr. William Noyes, Mr. George Rypysc, Mr. Valentine Kropnicki--Department Chairman, Mr. Chester Thompson, and Mr. Charles Herynicwicz.

## INDUSTRIAL ART

The program in Industrial Education offers students an opportunity to explore and become acclimated to modern industrial techniques.

Occupational skills, consumer knowledge and leisure time are an integral part of curriculum offerings.

The courses include Home Mechanics, Automotive Maintenance, Electricity and Electronics, Technical Drawing, Architectural Drafting, and Material Processing, Wood Technology and Metal Technology.

## MUSIC DEPT.

The Music Department of Enfield High School encompasses three areas of specialization: Instrumental, classroom, and vocal music.

The instrumental area, under the direction of Mr. Dana Hawes, includes the marching and concert bands, as well as a string ensemble and individual instrumental study. Several members of our band have continued their pursuit of a career in music in military musical organizations, as music majors in college and in solo or group performances. We at Enfield High School could always depend upon our musicians to get us into the spirit of things, either at athletic events or during holiday seasons.

The classroom curriculum is aimed to accommodate three different kinds of student: the general student, who may include the History of American Music (Music 2) or Electronic Music in his studies; the college bound liberal arts and elementary education majors and the music minors, who would find History of European Music and Counterpart (Music 3) both necessary and helpful; and the advanced music majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino is the man in the director's chair when our mixed and select choirs take to the risers for a performance. Mr. Autorino, an accomplished vocalist in his own right, selects music from a wide span of numbers, ranging from early sacred music to contemporary folk numbers. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

The Music Department which has been consistent in turning out fine music students with college acceptance rate of 85%, has also received numerous awards and grants for its fine work. The Electronic and American Music courses have received government grants, and the latter has also been awarded a National Freedom Foundation Grant and the Downbeat Jazz Award. Compositions produced by the alumni of our department have been performed at Trinity College, the University of Connecticut, and the National Education Television network and at the National Teacher's Conference.

FROM LEFT TO RIGHT: Mr. Dana Hawes, Mr. Rocco Autorino, and Mr. Leonard DeMaio.

## PHYSICAL EDUCATION

The Physical Education Department of Enfield High School offers a wide variety of activities. These activities include many individual sports such as archery, tennis, handball, gymnastics, and field events. It also offers such team games as speedball, volleyball, softball, soccer, and field hockey.

It is the main objective of the department to provide a wide background of activities that can be enjoyed after a student leaves Enfield High. The program also includes such intramural programs as flag football, basketball, handball, volleyball, softball, track and field, and tennis.

This year the program has initiated a selective program for juniors and seniors. They meet three times a week for half a semester. Sophomores meet twice a week all year. The gym instructors have a more planned program for them, with all the sports most favored by the students included. With this idea, students have a choice of activities in the area of most interest to them.

Mr. Joseph Lamana

Miss Kathleen Gendall

Mr. John Skypeck

Mr. John Lyons

## DRIVER EDUCATION

The Enfield High School driver and traffic safety department contributes its resources to introducing young people to the highway transportation system. Preparing its students to be informed and active supporters of sound traffic safety programs are the major goals of the department. Although driver and traffic safety education is only one force that influences operator behavior, it is probably one of the most powerful influences. The course, although it cannot change student's "style of life", can change his "style of driving".

Just about everyone got involved in Homecoming Weekend. The cooperative efforts of members of all three classes, along with the faculty and administration, provided a weekend of exciting events beginning with a dance and including a parade, a float contest between classes, a tournament soccer game and a home

football game against Conard. Everything went beautifully--the dance had a large turnout, the Junior class won the float contest and the Raiders were victorious in both of their games. Hopefully, what was started this year will continue as a tradition here at Enfield High.

## The Dance

"The sign says \$2.00, but I got in free for a little.."

"Aw, come on!"

"You aren't asking me to DANCE are you?"

These are some of the faces that made up the huge crowd that danced to the music of Shadowfax at the Homecoming dance on Friday night.

The victory parade on Saturday morning brought us two victories.

## The Float Contest

The Enfield High School cheerleaders have worked hard in support of our school teams. The response from the fans at the games has been gratifying.

Our squad has built up this enthusiastic support because of the cooperation and teamwork of all the girls, led by Co-captains Liz Baer and Carol Hayden. We practiced hard, devised new cheers and, hopefully, helped both team and fan spirit in a number of sports.

Another bonus for us has been the friendships built up and enjoyed among the cheerleaders. We learned to know and respect each other as we worked together, thus enriching our Enfield High School years. We shall leave Enfield High with best wishes to all and with pleasant memories shared by our squad, teams and fans.

# CROSS COUNTRY

KNEELING, LEFT TO RIGHT: Ron Chisholm, Matt Hazen, John Cooney, Brendan Begley and Greg Pike. STANDING: Coach Bruce Barmac, Joe Cummings, Captain Doug Pike, Mike Flanagan, Bill Stack and Manager Patty Cowles.

Coach  
Bruce Barmac

Our Cross Country Team coached by Mr. Bruce Barmac turned out a season record of 6-5-1, the best record achieved by a Cross Country team in its short three year history. In addition to this accomplishment, the team also scored its initial first place by Joe Cummings; it marked the first time in the school's Cross Country history that an Enfield runner grabbed individual honors for the top spot. During this meet Enfield not only grabbed first but it also took second and third, which set another precedent. All three runners broke last year's school record of 15:23.

Joe Cummings was clocked at 15:01.8. Trailing behind him were Bill Stack at 15:18, and Mike Flanagan at 15:22. The team also had a tie against East Hartford 28-28.

This year's team was spearheaded by Junior Speedster Joe Cummings who was never beaten by any of his teammates during the entire year. But, another Junior Bill Stack and Seniors Mike Flanagan, and Captain Doug Pike were hot on his heels all year. Other outstanding performers for the team were Juniors Greg Pike, Brenden Begley, John Cooney, Matt Hazen, and Sophomore Ron Chisholm. As you can see, the majority of the team is made up of underclassmen, losing three seniors to graduation, Doug Pike, Mike Flanagan, and the only member of the team for three years, Manager Patty Cowles. So the outlook for next year is very good.

The team's six victories came against Windsor Locks 25-33, Wethersfield 25-32, Bulkeley 16-39, Hall 23-32, New Britain 16-44, and in their finale, crosstown rivals Fermi 23-33, capping off a very successful year.

Coach Bill Teed

The 1975-76 Enfield High Soccer Team, under the coaching of Bill Teed, has had the most successful soccer season of this school. The 13-3-1 record established by the Raiders was a total team effort with no individual standouts.

The Raiders finished as the bridesmaids in the CCIL for the second straight year after a heartbreaking 2 to 1 defeat to Conard. This defeat cost Enfield the CCIL Title.

The Raiders were then ranked fourth out of a field of twenty-six in the class LL CIAC State Tournament. Their first round opponent was Norwalk High School. They defeated Norwalk by a score of 3 to 2. The Raiders then advanced to the quarter finals and defeated Brien McMahon School of Norwalk, defending state champions, 2 to 0.

The Raiders' season then ended in the semi-finals with a 1 to 0 loss to Wethersfield, who went on to win the state championship.

Seniors on the squad were Tri-captains Ted Wagner, John Connolly and Ed McCoy, Don Whittle, Mike Walsh, Paul Wakelin, Roger Andersen, Dan Flanagan, Ed Smith, Paul Thorogood, and Goalie Steve Cutler. Further contributions were made by Juniors Dan Sullivan, Ken Lapointe, Bill Taksar, John Thompson, Ed Malley and Pete Courtois.

The 1975-76 Enfield High Soccer Season should prove to be an inspiration to the further development of soccer in this school and in the town of Enfield.

Despite a slow start and torrents of rain which flooded our field and pre-empted many of our games, the Enfield High Girls' Field Hockey Team, coached by Barbara Long, finished the season with a fine 6-6-1 record. Through much cooperation and team work, the girls were almost able to qualify for the CCIL tournament missing this goal by only 1/10 of a point. Senior Co-captains Sue Herter and Anne Desrosiers displayed an exceptional amount of talent throughout the season as did the other senior starters, Anne Bottomley, Dee Legienza, Sharon Cormier, and Chris Dippel. Other senior members who will be leaving this year are Debbie Brosnihan, Sharon London, Sue Garvey, Karin Wright, and Theresa Dunagin. The fall of 1975 was one of those storybook seasons for the Raider football team. It could have been a very long and disappointing season, but the ending was one of much happiness and excitement.

The Raiders put forth a fine effort throughout the season, since their record stood at 5-3-0. Now the Raiders turned their attention to the Enfield-Fermi Thanksgiving Day Game.

The forecast called for rain on Thanksgiving. The game against Fermi was postponed to Saturday and 10,000 people watched Enfield put on a "football clinic" as the papers called it. It didn't take the offense long as they won the toss, elected to receive, and then on the first play from scrimmage, Tim Kelley sent Pete Moschetti off tackle 82 yards for an Enfield T.D. Greg Franklin booted the extra point and it was 7-0. Now it was the Raiders mighty defense who did the job stopping the Falcons on the two yard line. The next Enfield score came after halftime when Kelley threw to Senior End Steve Lamond in the end zone for six points. They put the icing on the cake

when Moschetti ran 47 yards on a chaw play for the last T.D. of the game. Standouts in the game were many: Co-captain Joe Cimino blocked a crucial punt, Co-captain Greg Franklin was brutal, Lamond had a touchdown and an interception and Kelley showed great poise for a junior quarterback. Then there were the men in the trenches. The linemen who never make the headlines; Junior Center Bill Ackerman, who in nine games never missed a snap which is incredible; Len Guyette, defensive tackle; Paul Gillan, offensive guard who opened many a hole for Raider running backs; and Pete Moschetti, who ended the game with 150 yards and two T.D.'s.

Few people knew it, but at halftime Coach Lamana made the saddening announcement that after 21 years of coaching football, he was retiring. This year's team had the honor of being the last team to play under Coach Joe Lamana. They were winners only because their coach was a winner and never let them give up.

The final score was 19-8, Enfield over Fermi. It was more than just a win for Coach Lamana. It was a dream come true, and we the members of the 1975 football team were happy and proud to be part of it.

Speed and fine shooting proved to be the team's major strength. Highlights of the season were Enfield's outstanding victories over Fermi Falcons, 50-25 and 47-25. Due to the skill and dedication displayed by the entire team and the devoted coaching of Miss Barbara Long, the season will be the source of many bright memories. E.H.S. ended its basketball season with a 5-15 record overall and 4-14 in a comparatively strong CCIL--rather disappointing for all concerned, even when one does not believe in Vince Lombardi's cliché that "winning is everything." Our team still worked hard under Coach Skypeck, with a satisfactory offense but a rather suspect defense, where more consistent rebounding was needed.

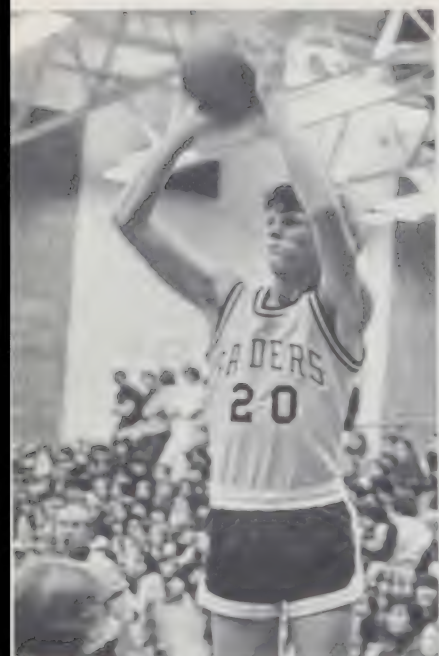

Four Seniors, Rich Bertrand, Steve Lamond, Ed McCoy and Don Whittle close out their careers with Whittle a leading scorer in northern Connecticut. Returning varsity players will be Juniors Tim Kelly, Tom Flower, Nick Smith, Bill Taksar and Brian King. Dana King, a sophomore, got some playing time also.

Although not enjoying an outstanding season, the Raider hockey teams improved their previous records. The varsity team finished its season with eight wins and eleven losses. The highlight of the year occurred on February 14, Valentine's Day, with the "Massacre of Falcons". Coming into the game, Fermi had never lost to the Raiders since the rivalry began in 1974. Led by Sophomore Goalie John Fleming, and goal scorers Jack McDonald, Joe Cummings, Roger Andersen, Keith Gonyea, the team finally defeathered the falcons. Senior Goalie Bernie Morissette, was unable to start in the Fermi game, but had a good year in the nets. His shut out against Manchester and a record 75 shots on goal against South Windsor were just a few memorable moments in his year. Captain Jack McDonald's "hat trick" against Suffield High and Roland Dubriel's steady defensive play certainly were not to be overlooked. Senior Wings Roger Andersen and Keith Gonyea contributed key goals throughout the year. With the return of Juniors Joe Cummings, Mark Perrault, Alan Rotatori, Bill Ackerman, Frank Wadsworth, Sophomores Steve Morissette, Murry Staples, Ron Cudnick, Paul Hughes, John Fleming, Greg Massey and Bill Synder, the future of hockey at Enfield looks bright.

The Junior Varsity team finished their season with five wins, seven losses and three ties. Possible future varsity players from the team may be Ed Malley, Scott Leonard, Bob Burnham, Mike Green, Brendan Begley, Tom Vella, Ed Cichon, Jon Carson, Jack Moynihan, Mark Feder and Goalie Leo Bocwinski.

Since seven seniors were lost to graduation, Enfield was left with a rebuilding year. Coach Steve Hiersche took the swimmers he had, and blended them into a team which will be strong in the years to come.

After long hours and hard work, the 1976 Enfield High Swim Team was ready for their second year in the tough CCIL league. Although the team's record wasn't outstanding, maximum effort was put forth.

The Raiders were led by Tri-captains Joe Carollo, Tom Gwiazda and Mike Lally. They led a young team through difficult meets, and shared experiences which will never be forgotten.

STANDING: Jeff Tracy, John Able, Chuck Africano, Roger Moran, Paul Gillen, Manager Tim Smyth, Kevin Jones, Steve Roy, Co-captains Mark Zachary and Jerry Lacasse, Jim Gallo and Coach Kirk Parker.

Coach Kirk Parker

The Varsity Wrestling Team, under the inspired leadership of Senior Tri-captains Paul Gillen, Jerry Lacasse, and Mark Zachary, really turned the Enfield program around in 1976. At the time of this writing, with two relatively easy meets remaining, the Raiders have compiled an 11-5 record overall and finished fourth in the CCIL with a 5-4 record.

In addition to Captains Gillen, Lacasse, and Zachary, Seniors John Able and Rich Bednar displayed fine leadership and dedication to a basically young Enfield Team. In their third years of wrestling, John Able and Jerry Lacasse demonstrated considerable improvement, registering 6-7 and 8-7 records, respectively, in tough weight classes. Rich Bednar in his first year of wrestling exhibited considerable tenacity and willingness to learn. Paul Gillen, also in his third year, compiled a 5-1 record as the team's number one substitute. Captain "Zach" had a dream year: 15-1 record; records for most points: 72, most pins: 8, and fastest pin: 12 seconds.

If the Enfield Wrestlers can continue to get the kind of high quality leadership and dedication that was provided in '76 by this year's graduating seniors, then the prospects for the future are indeed bright.

Coach Kirk Parker has devoted much time and effort to establishing a quality varsity wrestling program at E.H.S. He should be congratulated for his coaching skills and his personal interest in his team members.
